What does the Piedmont Division do for you?

We have 2 public events every year

The Piedmont Division Model Train Show in March.

This is an ongoing event that we have been putting on for 20+ years. We always have the Train Show in March. We pull together vendors from all over the South East. We are known as the Premier 2 day train show in the Greater Atlanta Area. We have the train show in Clarence Brown Conference Center in Cartersville.

The other event is the Piedmont Pilgrimage in the fall

This is an ongoing event that happens in the fall. Late October through November weekends. This is a free event open to the public. It is our time as a club to show off what we know about building and running model trains.

Look For our events, We love to see you!

We are part of the NMRA, National Model Railroad Association. This is a huge network of model train enthusiasts.

MILTON-SCALISE INSURANCE AGENCY

As a proud member of the Piedmont Division of the NMRA, I am thrilled to be participating in the Piedmont Pilgrimage — a celebration of craftsmanship, creativity, and community. It is truly inspiring to visit the incredible layouts built by fellow members who share a passion for our hobby. When I am not working on my own layout, I'm helping families and fellow hobbyists protect what matters most. From homes to collections, I bring the same attention to detail to insurance as we put into our model railroads.

Thats All Folks until Next Fall

The Piedmont Division wants to **THANK YOU** for attending this years,' Piedmont Pilgrimage! We had a wonderful time sharing our Model Train layouts with you! Check out our website for upcoming events at

[www. Piedmont-div.org](http://www.Piedmont-div.org)

<https://www.facebook.com/groups/piedmont.nmra>

We appreciate our Advertisers.

**They make this publication
possible.**

What does the Piedmont Division do for you?

We have 2 public events every year

The Piedmont Division Model Train Show in March.

This is an ongoing event that we have been putting on for 20+ years. We always have the Train Show in March. We pull together vendors from all over the South East. We are known as the Premier 2 day train show in the Greater Atlanta Area. We have the train show in Clarence Brown Conference Center in Cartersville.

The other event is the Piedmont Pilgrimage in the fall

This is an ongoing event that happens in the fall. Late October through November weekends. This is a free event open to the public. It is our time as a club to show off what we know about building and running model trains.

Look For our events, We love to see you!

We are part of the NMRA, National Model Railroad Association. This is a huge network of model train enthusiasts.

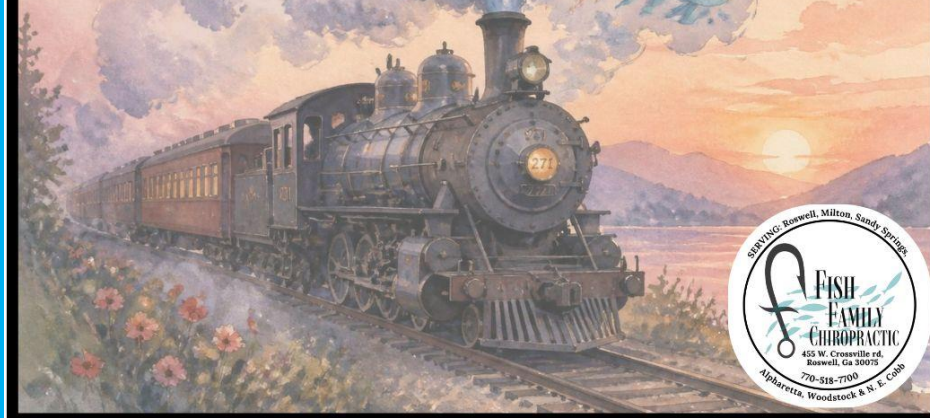

Keep Your Body on Track!

Don't Let Pain Derail Your Day.

We're excited to welcome members
of the NMRA & Our Community!

Show your NMRA membership or this
booklet and receive:

- **FREE Consultation**
- **FREE Spinal Screening**
- **50% OFF Your First Chiropractic Adjustment (New Patients Only)**

Keep your body on track so you can
enjoy every journey, on and off the rails.

SCALETRAINS

SOMETHING FOR EVERY MODELER AND BUDGET

Museum Quality™ models are historically accurate replicas of unique and historically significant locomotives in North American railroading. Exhaustive research and a commitment to realism combine to create the ultimate scale model. Museum Quality trains combine detail, sound, lighting, and more to make them just as legendary as the original.

The Rivet Counter™ line strives to create the most accurately detailed models imaginable. The real-world counterpart is meticulously researched to ensure prototype fidelity. Each model features numerous factory applied parts including roadname and road number specific details whenever possible.

Fox Valley Models™ is the intersection of value and accuracy, giving modelers quality options to recreate their favorite railroad(s). Designed to capture the spirit of the prototype, locomotives and freight cars include separately-applied, railroad-specific details whenever possible. The Fox Valley Models line is comprised of tooling acquired from ExactRail™ (Express™ and Evolution™ brands), Fox Valley Models, and MTH Electric Trains™.

Operator™ trains are built for modelers who enjoy running high-quality, realistic trains at an affordable price. Designed from builder's drawings and photographs, Operator models have fewer factory-applied parts and simplified printing.

Relive the Golden Years of model railroading with **Kit Classics™** freight car kits. When you assemble these simple kits, you'll rediscover fond memories of power packs, sectional track, shake-the-box kits, and dreams of creating your own model railroad empire.

S-Helper Service™ locomotives and freight cars take Traditional ScaleTrains™ to the next level with scale dimensions and separately-applied detail parts. S-Helper Service models are ready-to-run and designed to appeal to both toy train enthusiasts and scale modelers. With S-Helper Service trains, you can experience the perfect size with scale details.
